SOCIETY FOR GENERAL SYSTEMS RESEARCH CONFERENCE

18th & 19th May, 1970

Brunel University, Uxbridge, Middlesex.

Thank you for your application and remittance.

You have been allocated Room j 28 in the hall of residence shown at 2 on the enclosed map and plan. Please park in the adjacent car park. Rooms will be available from 9.30 a.m. on the 18th and you are asked, by the University, to vacate them by 10.00 a.m. on the 19th. A baggage room will be provided for you on that day.

Non-residents should part in the further car park by the Administration building.

Programme

Monday, 18th May

09.30 - 11.00	Registration, Central Lecture Block
10.30 - 11.00	Coffee, Refectory
11.00 - 12.00	Welcome by the Vice Chancellor of Brunel, Dr. Topping Human Problem Solving - Professor F.H. George (This, and all other sessions, will be in Lecture Theatre 8)
12.30 - 14.00	Lunch, Refectory
14.00 - 14.45	Some Fundamental Problem Areas for Systems Science, Dr. B. Gaines
14.45 - 15.30	Models of Systems with More Than Exponential Growth, Mr. A. Mayne
15.30 - 16.00	Tea, Refectory
16.00 - 16.45	The Nature of Goal Directed Behaviour, Mr. G.J. Somerhoff
16.45 - 17.15	Business Meeting
19.00 prompt	Dinner, Refectory

Tuesday, 19th May

08.00 - 09.00	Breakfast, Refectory
10.00 - 10.45	Systems Analysis of Social Behaviour. Some Problems of Interpretation, Dr. M. Nicholson
10.45 - 11.15	Coffee, Refectory
11.15 - 12.00	Appreciative Systems, Sir Geoffrey Vickers
12.00 - 12.30	Discussion
12.30 - 14.00	Lunch, Refectory
14.00 - 14.45	The Application of Systems Concepts Study of World Politics, Dr. J. Burton
14.45 - 15.30	The Grammar and Syntax of the Brain, Dr. Grey Walter
15.30 - 16.00	Tea, Refectory

The Lecture Theatre will be available for an informal workshop after tea.

Dr. Grey Walter's paper has been put back to the second day to prevent any delays during his return from the U.S.A. affecting the schedule.
